# Confidentiality Pledge

This ***Jesus Embraced Parenting*** study is meant to be a safe place to share about life, mistakes, and struggles. We want everyone to have the freedom to talk about the challenges of being a parent. In order to create safe place for sharing, we ask that each participant in this study to agree to the Confidentiality Pledge below.

I agree to keep everything shared by my group members confidential\* at all times. I agree to uphold the maxim: “What is said in the group, stays in the group.”
